PNM Seeks All Levels of Engineers as National Engineers Week Kicks Off

PNM seeks recent graduates and seasoned engineers to join its team as the company leads the way to carbon-free energy

(Albuquerque, NM) – Today, PNM celebrated the start of National Engineers Week with a statewide recruitment effort to fill more than 30 engineering positions. PNM is hiring engineers at all levels, from recent graduates to seasoned professionals, in the fields of electrical, mechanical and civil engineering.

Applicants should visit [PNM.com/Engineer](https://www.pnm.com/engineer) to apply.

PNM values its employees above all else and embraces equity, inclusion, and diversity of thought. We are seeking engineers who want to be a part of New Mexico's energy transformation to clean and sustainable electricity. PNM offers competitive salaries and benefits, including health, wellness, retirement, and education assistance, along with challenging work that enriches the lives of all New Mexicans.

About PNM

With headquarters in Albuquerque, PNM is the largest electricity provider in New Mexico, serving more than 530,000 customers in dozens of communities across the state. PNM strives to create enduring value for customers, communities and shareholders built on a foundation of Environmental, Social and Governance Principles. At the core of our business, we are focused on our vision of creating a clean and bright energy future, our purpose of working together with our customers and community to serve their energy needs, and our values of safety, caring, and integrity. Visit [PNM.com](https://www.pnm.com) for more information.
