PNMs 2023 Annual Day of Service Recap

Hundreds of employees assisted nonprofits across the state.

(Albuquerque, NM) – On Thursday, Sept. 28, more than 600 PNM employees spent the day volunteering for 40 nonprofits with much needed critical hands-on assistance.

PNM employees are committed to giving back to the community where they live, work and play. Service is foundational to our longstanding culture and commitment to our beautiful and diverse communities. Our annual Day of Service is one way we demonstrate that commitment to New Mexicans, statewide.

In 2022, PNM employees volunteered more than 3 thousand hours assisting community service projects.

About PNM

With headquarters in Albuquerque, PNM is the largest electricity provider in New Mexico, serving nearly 550,000 customers in dozens of communities across the state. PNM strives to create enduring value for customers, communities and shareholders built on a foundation of Environmental, Social and Governance Principles. At the core of our business, we are focused on our vision of creating a clean and bright energy future, our purpose of working together with our customers and community to serve their energy needs, and our values of safety, caring, and integrity. “We love serving our communities and our customers,” said Kristin McLoughlin with PNM’s Public Affairs Department. “Day of Service is just one of the ways that we, and our dedicated employees give back by volunteering with nonprofits. At the end of the day, we are all laughing, trading stories and looking forward to our next Day of Service!”

This is PNM’s 10th year of its Annual Day of Service. PNM is committed to giving back to the communities we serve. It is our pleasure to help our customers by helping our local nonprofits provide essential services to those who need them.

Below are some of the projects PNM employee volunteers helped this year:

- Albuquerque Biopark Botanic Garden
- Albuquerque Zoo/BioPark (elephant exhibit)
- Albuquerque Zoo/BioPark (polar bear exhibit)
- Animal Humane
