RE: PNM's Application for Approval to Continue its Hedging Plan – Case No. 19-00187-UT Compliance

Dear Ms. Sandoval:

Public Service Company of New Mexico ("PNM") herewith files an Application for Approval to Continue its Hedging Plan, supported by the Direct Testimony of PNM witness Shane Lewis. The Final Order in Case No. 19-00187-UT, issued by the New Mexico Public Regulation Commission ("Commission" or "NMPRC") on December 4, 2019, directed PNM to make a filing by June 30, 2024, concerning the continuation of the Plan after conferring with Staff and other parties about whether and under what terms and conditions the Plan should be continued. This Application is in compliance with that requirement.

This compliance application is being served and filed electronically, and a copy of a check to the NMPRC in the amount of \$25.00 is attached which is the fee for the application. The check will be mailed separately to the NMPRC. If you have any questions regarding this filing, please contact me at 505-241-2881.

Respectfully,

/s/ Steve Schwebke
